

## TOO MANY MONSTERS SPILL THE BROTH

Welcome, students, to our course, "Use Your Noodles." I'm the instructor, Chester Colander, and today I'm going to show you how to make a delightful dish—Spaghetti With Three Cheeses.

I'd prefer Mega Maggot Medley with a side of drool.

Here are my three chunks of choice—  
Limburger, Gorgonzola, and Danish Blue.

Wow! They smell  
worse than / do!

Boil and drain some spaghetti.

Look out below!

How about draining  
some boils?

Be daring when it comes to dairy!  
Sprinkle lots of grated cheese on top!

It's awful hot in here.

Oooh...good...like a bed of nice, squishy worms.
